

## **Indian Valley Vocational Center**

Interested incoming juniors and seniors, in good standing, may to apply to take specialized classes at Indian Valley Vocational Center in Sandwich, IL to explore career options in their field of interest.

Indian Valley Vocational Center (IVVC) provides opportunities for students to:

- Cultivate life and career skills in a real-world environment through partnerships with business and industry
- Foster abilities to communicate using current and emerging technology
- Develop learning and innovation skills including creativity, critical thinking and collaboration
- Apply academic knowledge to careers in a hands-on environment

Programs include:

- Auto Body Repair
- Automotive Technology
- Aviation Mechanics
- Certified Nursing Assistant
- Computer Programming & Gaming
- Computer Technology
- Construction Trades
- Cosmetology
- Culinary Arts
- Emergency Medical Services
- Fire Science
- Graphic Design
- Health Occupations
- Law Enforcement
- Sports Medicine
- Teaching Methods
- Welding & Fabrication

Interested students are encouraged to attend their program of choice for two years (junior and senior years).

Most programs require attendance at IVVC for 2 1/2 hours either in the morning or afternoon depending on their choice of program (aviation mechanics require partial day attendance at Lewis University)

An informational meeting is typically held at YCS in the spring for current sophomores and juniors.

Families whose student is accepted into an IVVC program may be required to pay separate tuition from YCS and will be billed through YCS.

There may be additional program fees required from IVVC depending on the program selected.
