Guidance News

Parents of Freshmen: This week during Guidance sessions, students learned about GPA, graduation credits, and the importance of earning good grades. Grades should be checked weekly at minimum by students in FACTS. Students should see Mrs. Fleming if they are unaware of how to log into FACTS or are struggling in multiple subjects. Students struggling to maintain strong grades should see their teacher first and advocate for themselves. If your child missed the session, please have them see Mrs. Fleming in W203 during 6th,7th, Homeroom, or after school.

Parents of Seniors: If you have not yet completed the FAFSA, it is recommended to do so as soon as possible. An email was sent out to all Senior parents with the information for FAFSA early last week. Please contact Mrs. Fleming at kfleming@yorkvillechristian.com if you need it resent to you.
